

**TRANSACTIONAL ANALYSIS EXAM PREPARATION/SUPERVISION WORKSHOP  
AUCKLAND, AOTEAROA NEW ZEALAND**

**MAY 30 to JUNE 2, 2019**

**With Jan Grant, TSTA (C and E), Anne Tucker, TSTA (O), and Keith Tudor, TSTA (P)**

This workshop will cater for people training in any of the four fields of application of transactional analysis (TA), i.e., counselling, education, organisational, and psychotherapy, and will provide supervision for all levels of exam preparation. This includes:

- Starting and writing the CTA written exam
  - Preparing for the CTA oral exam
    - Preparing for TEW
  - Preparing for the TSTA exams

The precise programme of the workshop will be co-created by the facilitators and the participants in order to cater for individual supervision needs. It will include large group activities, small group activities, teaching, supervision and writing. Social activities and down time will be factored in to allow for self-reflection and integration of learning.

**VENUE: St Francis Centre, 50 Hillsborough Road, Mount Roskill, Auckland, NZ**

**COST: \$985 Residential; \$940 Non- residential; \$900 if fully paid by 29<sup>th</sup> March 2019**

**TO BOOK: <http://www.tatraining.co.nz/courses/ta-exam-workshop-auckland>**

**FACILITATORS**

Jan Grant, B.Ed., M. Ed. (Adult Ed.), CTA, TSTA (E and C), ITAA, ATAA, has a long history in tertiary education and has been in private practice in Sydney for over 30 years, where she sees individuals, couples and supervisees. Jan has been involved in TA for 37 years and has supervised 16 successful CTA candidates (E and C), 3 TEW and 1 TSTA.

Anne Tucker is a CTA and TSTA (O) and has been involved in TA for 23 years. She developed an Australasian business providing Employee Assistance Programmes, Conflict Resolution, Critical Incident Management, Health & Resilience and training services. She is currently providing TA training, supervision and coaching to New Zealanders and international clients.

Keith is a CTA(P) and a TSTA(P), and Professor of Psychotherapy at Auckland University of Technology. He has been involved in TA for 30 years as a clinician, supervisor, trainer, and writer. He is the author of over 80 publications on TA, including three books, and enjoys encouraging people to write. He has supervised people to successful completion of the CTA written exams (11), the CTA oral exams (7), the TEW (7), and the TSTA oral exams (3).
